

Robert E. Lee

Not this one.

The background of the slide features abstract, flowing green lines that create a sense of movement and depth. These lines are layered, with some appearing more prominent than others, giving the background a dynamic, organic feel.

Developing Efficient Systems for Mobile Inspection and Permitting

Devotion to Prevention

Knowing your job

The background of the slide features several overlapping, flowing green waves that create a sense of movement and depth. The waves are in various shades of green, from light to a slightly darker tone, and they sweep across the frame from the bottom left towards the top right.

Goal 1: Successfully Defining A Software System

The background of the slide features several overlapping, flowing, wavy lines in various shades of green, creating a sense of movement and depth. The lines are more concentrated in the lower half of the image, with some fading into the white background at the top.

Goal 2: Ensuring A Great Fit

The background of the slide features several overlapping, flowing, wavy lines in various shades of green, creating a sense of movement and depth. The lines are more concentrated in the lower half of the image, with some extending upwards behind the text.

Goal 2: Ensuring A Great Fit

Goal 3: Maintenance: Dependability Through Scalability

Abstract green wavy lines flowing across the bottom half of the slide, creating a sense of motion and depth.
